- Live wine auction from Hong Kong is offered in Tennoz -

We are pleased to announce that we are going to have a live wine auction "Acker Merrall & Condit Wine Auction supported by Warehouse TERRADA," which is organized by Acker Merrall & Condit, a wine merchant based in New York, at our facility on the water "T-LOTUS M" in Tennoz, Tokyo on April 22nd (Sat.), 2017. "T-LOTUS M" is going to connect satellite to the main venue in Hong Kong, and live wine auction from Hong Kong is offered in Tennoz.

In Recent years, since wine consumption has been rapidly increasing especially in Asia, the price of rare and vintage wine has been increasing, and it is also becoming harder to obtain in Japan. Considering this situation, we cooperated with world's great wine dealers and auction firms, and launched the new service in April 2017, in order to support our customers to purchase rare wine, assess and sell their collection, and put up and purchase wine at auction.

Acker Merrall & Condit wine auction in Tennoz is a part of our new service, and other various events are going to be planned. Warehouse TERRADA will continuously provide new experiences for all those who love wine.
