Warehouse TERRADA launches the new service, music instruments storage for collectors

-Features a studio for professional use, providing luxury space for adults fond of music-

Warehouse TERRADA (Shinagawa, Tokyo / President and CEO: Yoshihisa Nakano) is pleased to announce that we are going to provide the music instruments storage service from Saturday, November 21st, 2015.

The storage for music instruments, newly completed in Tennoz, is equipped the conditioning system to keep the certain temperature and humidity that is the most appropriate for instruments. The featured rehearsal studio GVIDO provides a space to share the music among fellows. Installed with the audio equipment for professional use, the studio has an extra space which can be used for parties with food and drinks.

As a safekeeping/preserving business professional, we, Warehouse TERRADA, provide the precious environment where brings the maximum potential in every instrument with our knowledge and experiences.

【About storage service】

Air conditioning and lightning system keep the most appropriate temperature and humidity for wooden instruments. This environment reduces the risk of cracking and/or expanding an instrument while storing; less deterioration and prolonged storage, it is also an ideal place for collectors. The interior can be customized freely.

[About Studio GVIDO]

Studio GVIDO is a rehearsal studio established besides the storage area for adults who love music. It is bearing the name of Guido d'Arezzo, who is regarded as the inventor of the base for staff notation in the 11th century. The facility is installed with high functioning audio equipment that suites every need. Food and drinks are generally prohibited inside the studio; However, a bar counter and a kitchen space are featured inside as well, enabling users hold parties with just-made dishes and alcohol. The joy of playing, the time filled with beautiful sounds - Studio GVIDO provides the one-and-only space for sharing music among friends.

Business hours : 10:00~22:00

Close : national holidays except Saturdays and Sundays, New Year's holidays

Additional facility : control room, amp booth, kitchen, movable bar counter

Additional service : catering service, sommelier service

[About Warehouse TERRADA]

Since the foundation in 1950, Warehouse TERRADA has expanded beyond the framework of warehousing business; researching the essential quality of what we keep and store, we tackle the specialized conservation under the most appropriate condition. We have made an active capital investment, using our know-how of how to utilize spaces. Our storage technologies for items requiring high expertise such as artworks, audio-visual media, and wines have been received a great reputation by each industry.
