[About Warehouse TERRADA]

Since the foundation in 1950, Warehouse TERRADA has been cultivating better storage techniques and making proactive action on the capital investment in order to store and preserve items under the best environment. Expanding our business beyond the traditional warehousing, we are currently pursuing the preservation and restoration technique to raise the value of stored items and pass it on to the next generations. We are also developing a business to create a hub to output the new culture by making a full use of our knowledge as a professional in space creation. Our storage technologies for items that require high expertise such as artworks, audio-visual media, and wines have been receiving a great reputation by each industry.
